

## School Supply Lists for 2022-2023 K3-12<sup>th</sup> grade

Please reference your student's specific grade level for school supply requests.

Feel free to use supplies from previous years, so long as they are in good working condition. Label all personal supplies, like backpacks and lunchboxes.

Teachers will likely need refills of supplies for your student as the year goes on, so having some extra at home is always helpful!

**Each student is being asked to contribute the following items for classroom use (also listed at the bottom of each class list):**

- 2 regular-sized boxes of tissues
- 3 containers of disinfectant wipes (ex: Clorox)
