New Student Referral Incentive

CCS families may receive incentives for recruiting new students. The new student must be outside of the referring family. For example: a sibling from the same family is not eligible as a new referral.

A family will receive up to a \$1,000 credit for each new, full-paying student in grades K5 through grade 12.

A family will receive up to a \$500 credit for each new, full-paying student in grades K3 through K4.

The credit will be given as a tuition credit each month that tuition is paid. For example: when the family that you recruited pays their tuition in August, you will receive \$100 off your August tuition.

*Referring family's name **must** be written into the referral spot on the applying family's application.
